USING THE LOGO

Using with Fries Tag Logo

In most cases, use of one company logo is all that is required. If an advertisement is made by **Fries Tag** then that logo is usually all that is required on YOUR ADVERTISEMENT for recognition of your audience and/or customers.

BRAND STYLE GUIDE

USING THE LOGO

Using with Other Logo

When the **Fries Tag** logo is used with another logo, both logos should be scaled to the same visual weight and the separation distance should be at least double the exclusion zone.
